Greenway Views welcomes Belinda O'Connor

Greenway Views welcomes the new Community Development Facilitator, Belinda O'Connor to our area. Landcom & Australand have engaged Connections Community Development to establish the exciting community development program in Greenway Views.

Having just joined the team at Connections, Belinda brings extensive experience in the fields of community development and events management to our neighbourhood.

"My role is to welcome new Greenway Views residents, organise events where people can get together & make friends, as well as facilitate interest groups that support local networks and a strong community" Belinda said.

"I am really looking forward to working in such a vibrant area and with a great community that has established a reputation for its willingness to participate in local events and activities. I am looking forward to connecting with the residents at Greenway Views and to continue to help them make this neighbourhood a great place to live."

COMMUNITY DEVELOPMENT

Earth Hour

As part of our community action for the environment every resident in the Greenway Views Estate received a candle to encourage participation in Earth Hour on Saturday night the 27th of March.

Earth Hour is a global call to action to every individual, business, school and community to take a stand against climate change. We hope that you were able to participate in the activity and that you enjoyed your candles.

Meet your Neighbour Night

Our last Meet Your Neighbour Night was on Sunday the 28th of February and one of the wonderful stories that came out of the night was the reconnection of two old school friends. Belinda & Renee managed to reconnect after attending school together approximately 12 years ago at James Busby High.

The meet your neighbour night provided them with an opportunity to socialise and share some good laughs together, as well as the discovery that they live just a few streets apart. The night was a great success with more than 45 people coming along to enjoy wine, cheese and chocolate together. Jojo the Clown entertained the kids with balloon art and face painting.

Our next meet your neighbour night is going to be held on Sunday the 18th of April from 6pm to 8pm at the Sales & Display Centre – Greenway Views. We hope you can come along and meet some new friends.

An Afternoon with the Easter Bunny

Much to the delight of the neighbourhood kids, the Easter Bunny was the surprise guest at our afternoon tea and Easter egg hunt on Tuesday the 30th of March. Greenway Views residents were treated to an afternoon of fun activities such as egg & spoon races, an

Easter egg hunt and some festive food.

The Easter Egg Hunt was of course the highlight of the afternoon, with plenty of little tikes heading home with a full basket of sugar!

We wish you and your family a very Happy Easter.

Greenway Views Project Update

Land availability at Greenway Views is coming to an end with only 3 blocks left for sale. Of these, 2 lots front the Western Sydney Parklands and the other is a corner lot within Stage 5.

Lots are selling fast so if you have family or friends interested in living in Greenway Views, this will be their last opportunity, so get in early before they are sold out.

The final 8 house & land packages built by Australand will be officially released on the 17th April 2010. Product information will be available for review from the 10th April 2010 at the Greenway Views Sales Centre. This will be the last opportunity to purchase a complete house & land package built by Australand within the Greenway Views Estate.

Sales & Display Centre

Sales & Display Centre will close permanently from the 19th of April.

Greenway Views Community Newsletter

The newsletter is prepared for the residents and friends of Greenway views by our Community Development Facilitator Belinda O'Connor from Connections Community Development. In the newsletter you will find interesting information about activities, events and news in the area.

If there is anything that you would like to share in the newsletter or to give any feedback on events or community issues, please contact Belinda on belinda.oconnor@connectionscommunitydevelopment.com.au or phone 0431 220 935.
