#### Meet your Neighbour Night

Our last Meet Your Neighbour Night was held on Sunday the 18<sup>th</sup> of April.

The evening was accompanied by sumptuous wine, delicious cheeses and enjoyed by all of those in attendance. We were entertained by Anna Matthewson a very talented pianist and singer to the tunes of Norah Jones and a range of other beautiful chic lounge bar songs.

There were new friendships founded and some great conversations shared amongst everyone.

During the evening the residents were informed about the opportunity for them to form a Residents Association.

This association is designed to be administered by the local residents. It enables the committee members and local residents to develop their community and

a range of programs for Greenway Views.

These nights are a great opportunity to relax, enjoy some wine, great food, meet your neighbours in your estate and in turn develop a great sense of community and safety in the Greenway Views estate.

#### Mother's Day Chocolate Drop

We hope that all of the mothers in Greenway Views enjoyed their special day & that you were spoiled for the great gift that you are to your children and the community. We also hope that you loved your chocolates!
