- Parkview Constructions Pty Limited was appointed as the Building Contractor;
- Construction commenced in March 2010;
- In early April two tower cranes were erected;
- Currently Building C is up to Level 2 and Building D is progressing through level 1;
- In the next couple of months you will see move of the structure being erected as both Building C and D start to take shape.
- Likely completion is June / July 2011. Should we experience inclement weather as we did during the month of May, the completion date could change.
